Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the "head receiving means" language in claim 1 invokes 35 U.S.C. 112, sixth paragraph.

Therefore, the head receiving means as disclosed in the specification requires edges, walls, and tabs in combination with a golf club head, wherein the head receiving element is solely configured to maintain the golf club in an upright playing position, when affixed in the manner claimed in combination with the other recited features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
